We're improving your water system – Painters Street

Durr Heavy Construction Company, working for the Department of Public Works will install a new water line in your area.

Residents and businesses on Painters Street from N. Johnson Street to N. Tonti Street will experience low water pressure on Monday, April 4, 2016 from 9 a.m. to 1 p.m.

We appreciate your patience as we work to improve the City's infrastructure.
