Emergency Waterline Repair We’re improving your water system – Uptown Riverside Area

Sewerage and Water Board crews are on site making an emergency repair to a 12-inch water main in the Uptown Riverside Area.

Residents and businesses in a portion of the Uptown Riverside Area are experiencing low water pressure. It is expected that the repair will be completed later this evening.

The streets affected are listed below:

ON	FROM	TO
Constantinople Street	Tchoupitoulas Street	South Front Street
Tchoupitoulas Street	General Taylor Street	South Front Street
Austerlitz Street	General Taylor Street	South Front Street
South Front Street	Constantinople Street	General Taylor Street
Marengo Street	South Front Street	Tchoupitoulas Street

We appreciate your patience as we work to improve the City’s infrastructure.

Please note that all scheduled work may change due to unforeseen circumstances such as weather delays. A link to our website that includes our latest press releases is attached for your convenience.
