Low Water Pressure

Residents and/or businesses on South Claiborne Avenue from Thalia to Upperline Street may experience lower than normal water pressure from 1:30 p.m. to 3:30 p.m. while an emergency repair is made to a main that serves that area.

Also, residents in all of the Lower Ninth Ward may experience lower than normal water pressure today from 3:00 p.m. to 6:00 p.m. while the Sewerage and Water Board makes an emergency repair to a 50-inch water main that serves the area.
