LOW WATER PRESSURE

Residents and businesses located in a large section of eastern New Orleans may experience low water pressure on Saturday, January 24, 2009 from 8 a.m. to 8 p.m. while contractors working for the Sewerage and Water Board repair a 20-inch water main, valves and associated water lines in conjunction with the Dwyer Road Drainage Canal Project.

The area affected extends from Downman Road out to Venetian Isles and from Almonaster to Haynes Blvd.

For more information, call 52-WATER (529-2837).
