For Immediate Release

Water Service Repair Notification

Residents in a section of Uptown New Orleans may experience lower than normal water pressure or a disruption of service on Saturday, October 14th, from 8:00a.m. to noon while the Sewerage and Water Board makes repairs to valves and a hydrant on a 20-inch water main that serves the area.

The areas affected by the repair are:

South Carrollton Avenue from Jeanette to Zimple Street
Willow Street from S. Carrollton to Adams Street

If more information is needed please contact Robert Jackson at (504)269-7978.
