## **GLEN PILIE NAMED TO SEWERAGE AND WATER BOARD**

The Sewerage and Water Board of New Orleans welcomes its newest board member Glen Pilie appointed to represent District A. He will serve the unexpired term of a former member who resigned last year. His term of service is until 2015.

Mr. Pilie has a great wealth of experience in the environmental area. He is a Partner of the Adams and Reese Law Firm where his work has been centered on environmental issues.

He has a Bachelor of Science Degree in Civil Engineering from the University of Southwestern Louisiana and a Masters Degree from the University of New Orleans in Civil Engineering with an emphasis in soil mechanics and water resources.

Mr. Pilie worked for many years as a civil engineer and as a regulatory/environmental engineer before going to law school, graduating in 1982 from Loyola University. He continued that work until 1984 when he joined Adams and Reese.

His achievements and recognitions are many and include a listing in Chambers USA Directory as a Leader in the Field of Environment and Best Lawyers in America, Environment.
