## **LOW WATER PRESSURE**

A portion of New Orleans east will experience very low water pressure on Wednesday, February 3, 2010 from 9 a.m. to 6 p.m. while Wallace Drennen Construction Company working for the Sewerage and Water Board makes a repair to a 30” water main that serves the area.

The area affected is on Michoud Boulevard from I-10 to Lake Forest Blvd. This area is also known as Oak Island Subdivisions one and two.
