## **LOW WATER PRESSURE**

Residents and businesses in New Orleans east will experience very low water pressure on Monday, September 27, 2010 from 8 a.m. to 5 p.m. while contractors working for the Sewerage and Water Board and the Corps of Engineers perform a tie-in to a 43-inch water main.

The work will be performed on Dwyer Road from France Road to Downman Road. This work is related to the Dwyer Road Drainage Canal project.
